## 1. HEALTH AND SAFETY INFORMATION

SAACI (via its Service Chapter) has been cooperating with EXSA over the last two years to develop industry guidelines covering certain aspects of Health & Safety to assist industry members in managing health & safety, and to look towards implementing these guidelines as industry norms into Version 2 of the SANS 10366.

This document is available on the SAACI website, [www.saaci.co.za](http://www.saaci.co.za) in electronic format at <http://www.saaci.co.za/downloads/index.html>

In addition to the Health and Safety Act, the Safety at Sports and Recreational Events Act was gazetted in May and came into effect on 2<sup>nd</sup> August 2010. It is to prevent crowd violence or intentional damage to the infrastructure.

It aims to regulate and protect the physical well-being and safety of people attending sports, recreational, religious, cultural, exhibitional, organizational or similar events, including the safety of their property at venues. Please refer to the Safety at Sports and Recreational Events Regulation 25, Corporate Hospitality should you require more information.

## 2. ACCESS TO THE CAPE TOWN INTERNATIONAL CONVENTION CENTRE

The CTICC is located in the city centre beneath Table Mountain and is only a 20-minute drive from Cape Town International Airport. In the same time zone as Europe, and with direct non-stop flights, Cape Town is merely an enjoyable dinner and overnight flight from both Europe and the United States. Within walking distance of the CTICC are Cape Town's leading recreational amenities, shopping centres and cultural attractions, among which is the internationally acclaimed Victoria and Alfred Waterfront.

## 3. ACCOMMODATION

The CTICC's in-house Hotel Services department assists conference and event organizers with the planning and booking of accommodation for organizers, exhibitors and visitors to ensure they benefit from the variety of available accommodation in close proximity to the CTICC. This is a complimentary service available to all organizers and exhibitors. In walking distance of the CTICC are the city's major hotels, providing over 4500 rooms of three- star quality and above, including the 483-room five- star Westin Grand Cape Town Arabella Quays Hotel which forms part of the convention centre complex. There are more than 16 000 rooms in hotels and guesthouses in a 45-

Only CTICC staff or its appointed contractors may serve alcohol and may only do so to people over the age of 18.

#### **7. ASSUMPTION OF RISK FOR EXHIBITORS**

It should be understood by the exhibitor that the nature of the facilities available, the presence and circulation of large numbers of people, the difficulty of effective supervision over the protection of large numbers of removable articles in many exhibition stands and various other factors make it reasonable that each exhibitor shall assume the risk of any injury, loss and/or damage.

Accordingly, the exhibitor assumes all risk of loss for their merchandise, fixtures, displays and any other property located in the exhibition area, storage or any other area where access has been provided to exhibitors by the CTICC.

CTICC security personnel will be furnished for the perimeter of the venue but such personnel shall not be deemed to affect the non-liability of CTICC and its members, officers, representatives, employees and/or the official service providers to modify in any way the assumption of risk and release provided for above.

It is highly recommended that exhibitors take precautionary measures by ordering security for their specific needs, through the preferred CTICC security service provider.
