## **CTICC 045/2017: Provision of Cleaning Services**

Dear Tenderer,

You are hereby notified of the following clarifications on and amendments to CTICC 045/2017:

1. **Should my company not have the 3 references in order, to confirm that we have worked in a HACCP environment, can we still submit a tender?**

The HACCP references are a minimum requirement as we need to have proof that your company has experience in working in a food preparation environment which complies to the principles of Hazard Analysis and Critical Control Points. Cleaning in the food outlets and preparation areas are vital to maintaining SABS HACCP Certification.

2. **How do we book a site inspection?**

You can contact Shane Green directly to book a tour of the premises by email [shane@cticc.co.za](mailto:shane@cticc.co.za) or call 0214105000

3. Please also find attached the presentation as done on 19 May 2017 at the compulsory briefing session.

Kind Regards;

---
