

# ADDENDUM 1

**CTICC 015/2026: SUPPLY AND DELIVERY OF KITCHEN CHEMICALS/DETERGENTS AND EQUIPMENT.**

Please be advised that the Cape Town International Convention Centre (CTICC) has revised the following terms in the above-mentioned tender, to assist bidders in completing the tender document:

1. Amendment pertaining to the Compulsory Briefing Session held on 16 February 2026:

Due to a discrepancy picked up between the tender advert and the tender document, it has been decided to change the status for the briefing session held on 16 February 2026 from compulsory to non-compulsory. Meaning that bidders who did not attend the briefing session, may still submit their offer on or before the closing date (23 February 2026 at 12:00), and their offers will be evaluated. Due to this, Part T1.1, and clause C3.1.5.1 has been amended as follows:

**Current Requirement**

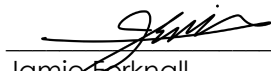

A compulsory briefing session will be held on 16 February 2026

**Amended Requirement**

A **non-compulsory** briefing session will be held on 16 February 2026

All other requirements and conditions of the tender remain unchanged.
